Dear Sean,

A very Big Thank You for helping to make Caoimhe's dream one to remember and for bringing a smile to the face of a seriously ill young girl and her family yesterday in Athlone.

Caoimhe has spent most of her life in and out of hospitals, undergoing serious operations, taking medication etc, deprived of so much that most of us take for granted.

Having this special dream come true of being a real Princess for the Day – having a concert with all her friends, dining in the best restaurant, getting her hair and nails done, receiving lots of gifts etc will give her family so much hope for a better tomorrow. Where there was so much darkness now there is sunshine...

We cannot make dreams like this come true without a lot of special people sharing the dream with us and you have certainly done this.

We would like to extend our sincere thanks to you for making this dream possible. The kindness, hospitality and genuine concern shown to this little girl and her family was second to none and being treated like a real Princess was icing on the cake for Caoimhe!

“We make a living by what we get but we make a life by what we give”.

Kind regards,
